

Exemption from Waste Origin Report Form Requirement Sunshine Canyon Landfill

Sunshine Canyon Landfill

I certify that my company does not do any direct haul loads that are picked up in the unincorporated Los Angeles County area and are delivered to Sunshine Canyon Landfill for disposal.

All of the loads from all accounts held by my company that are delivered to Sunshine Canyon Landfill meet the following criteria:

1. Have NO waste from Los Angeles County unincorporated areas OR
2. Are loads under 1 ton OR
3. Are only green waste or recyclables

I understand the following:

1. This certification is required to demonstrate compliance with County waste origin reporting requirements
2. I may be asked to recertify these facts in the future
3. It is my responsibility to check the county unincorporated area map at http://ladpw.org/swims/Upload/CSD%20CUA%20Map_9405.pdf
4. I must immediately comply with the Waste Origin Report Form requirements if conditions of my operation change
5. The exemptions listed above may be changed either by Sunshine Canyon Landfill or regulatory agencies in the future.
6. Failure to comply with Waste Origin Reporting for loads originating in the County unincorporated areas may result in my company being fined or suspended under order of the Los Angeles County Department of Public Works
