SYLMAR, Calif. (March 23, 2018) – As our community once again faces the aftermath of a severe heavy rain event, the Sunshine Canyon Landfill team stands ready to support with recovery and rebuilding efforts in any way we can. We applaud emergency management officials for their preparedness advisories, and we encourage everyone to listen closely to them and follow their guidance in the days ahead. Our thoughts are with those impacted by these storms, and we remain prepared to help our neighbors as a committed community partner.
